Outback and Rivers

ABOUT THIS REGION

Take your next holiday in one of our National or Regional Parks in the Murray, Riverina and Outback regions of NSW. Our rivers will amaze you: kayak through the river red gums down the Murrumbidgee, fish for Murray Cod or wander through the historic Yanga homestead. Camp under our stunning Outback skies at Sturt National Park, share our Aboriginal culture at Mutawintji, or birdwatch in the vast Paroo Darling National Park.

WHERE TO STAY

There are a number of accommodation and camping options in nearby NSW national and regional parks. You'll find a wide range of options from homesteads to shearers' quarters, from secluded campsites to real bush campgrounds. Please refer to a park fact sheet or go to nationalparks.nsw.gov.au for detailed maps for the specific location.

Please note that entrance fees apply at some national and regional parks and nature reserves. These go towards nature conservation and improvement of park facilities.
