

Kosciuszko Trivia Quiz

Kosciuszko National Park

Location

Kosciuszko National Park straddles the highest part of the Great Dividing Range and protects tableland, montane, sub alpine and alpine ecosystems, glacial landforms, limestone caves, the headwaters of major rivers, most of the NSW snow country and Australia's highest peak, Mt Kosciuszko. The park is home to rare, endangered and endemic plants and animals including the Mountain pygmy possum and Corroboree frog and is important for recreation especially snow sports.

About this program

Competitive and fun! The incentive to participate is created by the offer of trivial prizes for the team of students that has the most correct answers in the shortest time. Students learn about the natural and cultural heritage of the park while collecting answers from the Centre's displays and watching the 'Spirit of the Snowy Mountains' DVD. All answer sheets are sent back to school with the teacher.

Objectives

Students will:

- find and record appropriate answer to questions from relevant displays
- assist other students to find answers
- view a DVD featuring the heritage values of Kosciuszko National Park

Program outline

Introduction to staff and program	10 mins
Students find answers to work sheets from the displays	30 mins
Students watch dvd while answer sheets are marked	15 mins
Prizes are awarded	5 mins

Resources

Kosciuszko Education Centre houses displays that are relevant to the school science and geography syllabus. The answers to the Trivia Quiz questions can be found on these displays.

Safety information

Location:

Kosciuszko Education Centre
Kosciuszko Road
Kosciuszko National Park

Staff Accreditation:

Discovery Rangers have current Senior First Aid accreditation. They are competent in the activity they are leading, experienced working with groups of students in the natural environment and have excellent knowledge of the specific areas they are visiting including being aware of the potential hazards of the location.

Discovery Rangers have been screened for child-related employment and have completed a Prohibited Employment Declaration

Emergencies:

Discovery Rangers are trained to deal with emergencies and emergency procedures are in place. Discovery Rangers have been instructed to call an ambulance whenever there is any doubt as to the continued well-being of a student or other visitor. Ongoing supervision of a student following first aid treatment will be the responsibility of the visiting school.
